Workers' Compensation Practice Essentials

Friday, August 15

Bar Conference Center
1501 Park St., Columbia

South Carolina Bar
Continuing Legal Education

presented by the
South Carolina Bar-Continuing Legal Education Division

ABOUT THE PROGRAM

Workers' Compensation Practice Essentials is a unique and powerful learning experience that will provide the tools, resources and practical information needed to build and maintain a successful Workers' Compensation practice. Carefully designed by an experienced planning team, this highly interactive program features a diverse group of practitioners chosen specifically for their commitment to imparting practical knowledge in a conversational and interactive way so that participants will learn about skills and processes, rather than black letter law and war stories.

Our distinguished faculty will be available during and after the program so that participants can network, ask questions and build relationships. The valuable course book will contain many sample forms, checklists, letters, motions, and other resources that participants will use over and over again.

This is not your typical "talking head" CLE! This is the kind of practice-building, educational event that will provide you with the guidance, networking contacts and resources that will form your career!

Seating is limited to the first 100 registrants, so register today! As an added bonus, we are offering this special program at a $35 discount off our regular seminar fee! Don't let this unique opportunity slip by!

****Because of the interactive nature of this program we are not web casting or broadcasting****
