

Cross Time Cards

NOTE:

This is not a true size of the cards used in the competition, which are 5.5" wide and 4.5" high.
And, the time cards used in the competition have a front and back to alert the timekeeper of the next card to flip.
See timekeeper training for explanation and how to use the timecards.

Start the stopwatch.

When the time reaches

" 2:00" minutes, flip the card.

A "2:00" minute card will now be visible to the person speaking. Continue flipping time cards as you reach the next minutes shown on your stopwatch.
