Criminal Law Update

The Criminal Law Update presented at the S.C. Bar Convention is one of the “must attend” events on the calendars of lawyers involved in the criminal justice system. Preeminent Ohio criminal defense attorney William R. Gallagher will discuss how to effectively and creatively use the Internet when preparing and presenting your criminal cases at trial

This year the seminar will highlight the many changes enacted by the Omnibus Crime Reduction and Sentencing Reform Act of 2010. The first panel, consisting of legislators and lawyers who played key roles in the drafting and passage of this legislation, will provide a broad overview of the Act with insight into legislative intent. The second panel will provide the nuts and bolts of the Act from the bench, the prosecution and the defense.
