Torts, Reforms, and Risk: Navigating the Shifting Landscape

This seminar will explore key developments and emerging trends in South Carolina tort and insurance law. Topics will include the evolving role of bad faith and *Tyger River* demands, recent legislative updates with a focus on the South Carolina Tort Reform Act, and best practices for drafting contracts with an emphasis on contractual indemnity. Attendees will gain practical insights to navigate litigation, legislative changes, and risk management in today's legal landscape, no matter which side of the "V" you are on.
