2024 LRE Citizen of the Year

The SC Bar Law Related Education (LRE) Division is accepting nominations and self nominations for the LRE Citizen of the Year Award. The LRE Citizen of the Year award will be presented to an individual serving in South Carolina who has

- Fostered public understanding of the values of our legal and judicial system;
- Stimulated a deeper sense of individual responsibility by helping students recognize their legal duties and rights;
- Encouraged and supported effective LRE programs; and
- Increased communication among students, educators, and those working in the legal system.

The SC Bar appreciates the contributions of citizens implementing law related education. The citizen chosen to receive the LRE Citizen of the Year award will receive a plaque.

Law Related Education programs include *Community Works*, Mock Trials (in the classroom and competitively), *Street Law*, *The Constitution*, *We the People: Project Citizen*, *We the People: The Citizen and the Constitution*, and other citizenship programs offered through the LRE Division.
