Room Location: 200-202

2026 Corporate, Banking and Securities Law Updates

This powerful seminar will guide you through the quickly evolving area of Artificial Intelligence, including the legal ethics implications of using it in your practice. Other topics in this seminar include advice for lawyers serving on nonprofit boards of directors and the most common securities law mistakes made by non-securities lawyers. The seminar will wrap up with 2025 South Carolina caselaw and statutory law update on items pertaining to corporate, banking and securities law.
