

**Friday, January 23, 2026**

**8:30 – 11:45 a.m.**

**Environment & Natural Resources Section**

**3.0 MCLE Credit Hours**

**Supreme Court Commission on CLE Course #: 260134**

**Room Location: 100-101**

## **Environmental and Natural Resources Law Update**

With a new administration in Washington and a conservative Supreme Court there are likely changes pending to environmental regulations and differing judicial interpretations of environmental requirements. Our Seminar intends to explore this along with other timely matters including changes to State Energy Laws and Procedures and Resiliency issues.

### **Agenda**

- |                    |   |
