## **Best Practices: Cybersecurity and Tech Tips**

This year's Technology and Law seminar will kick off with an engaging conversation with Dave Stasaitis about Cybersecurity Essentials for Law firms. Dave brings years of experience of providing IT and Cybersecurity to law firms across the Carolinas with his company Stasmayer. This topic will be focused on small to mid-size firms that may have to contract these services. The second hour will focus on Tech Tips and Tools to run efficient practice in 2026.

### **Agenda**
